Do I have to choose a location?

Due to the growth in participation and the incorporation of Kirkland's new neighborhoods, we have decided to offer the pee wee soccer program in one of our newest Kirkland neighborhoods, Kingsgate. You are free to choose whichever location is most convenient to you. Just register using the designated course number. All games will be played at that particular location, meaning there will be no cross-league games.

I've signed up for PWS... what do I do now?

You will be contacted by a coach at least **one week prior** to the first day, Sept 8th. The coach will provide you with information about game schedule, team name, etc.

I'd like to be a coach. What do I do? And, what if my team does not have a coach?

If you'd like to apply to be a volunteer coach, please contact 425.587.3331 or email nthomas@kirklandwa.gov. We are always looking for good volunteers. Prior soccer experience is not necessary. We handle applications on a first-come, first-serve basis; therefore, getting your volunteer packet turned in ASAP is crucial. All coaches must pass a background check. If no one volunteers to coach your team then KPCS staff will contact individual parents from your team roster to coach.

How are teams formed?

Registration is taken on a first come, first serve basis. Siblings will be placed on the same team. Teams are formed randomly, but we take into consideration gender ratios and ages of the participants.

What is the format of the league?

The program meets on Saturday mornings/early afternoons. Games are one hour in duration with the first 20 minutes of the hour devoted to practice. The last 40 minutes are reserved for a friendly, recreational-style soccer game. Game times will range from 8am to 2pm, on the hour. For example, week one your game might be at 9am but week two your game might be at 10am.

Are games played in the rain?

Yes, if it is lightly raining games will be played as scheduled. If the field conditions are poor, putting safety in jeopardy or if it is raining heavily, we will cancel games for the day and reschedule.

Does KPCS take requests?

Requests for player or coach pairings are taken but are NOT guaranteed. You child must be registered before you may make a request. If you sign up for the league it is the parent's responsibility to arrange for travel, supervision, etc. regardless of who is on your child's team.

What is included with the registration fee?

Each child will receive a T-shirt to wear during the season and a participant medal at the end of the season. Shin guards are not provided, but are required. Cleats are optional.

If I have additional questions, who do I contact?

Please call 425.587.3336 for additional information or to register.
